

Adopt-A-Room

Right now, there is a family who doesn't know it yet, but they are going to **need this room over the next **12 months**...**

...and that's why we need YOU.

Imagine everything it takes to run your own home. Now multiply that by 28. Our incredible **35,000 square-foot House hosts 28 family rooms** and is so much more than just a place to sleep at night.

It's a meal shared with another family in our dining room. It's the warmth of a cozy couch in the living room while you catch up on the news. It's the peace of mind of having a place to do laundry.

We are equipped with all of the things that our families need to take care of themselves, so they can **focus on the care of their children.**

To operate the Ronald McDonald House, **it costs approximately \$142/night per room.** Families who stay at the House are encouraged to make a \$15 night donation, **but families are never turned away if they cannot contribute.**

With mounting medical bills and travel costs, **only about 30% of our families are able to pay even this modest amount for their stay at the House.**

Support families by adopting a room!

The **Adopt-A-Room** program gives our supporters an opportunity to **share these costs for a year.**

All 28 guest rooms and family common areas can be adopted:

#KeepingFamiliesClose

"Having the safe space of the Ronald McDonald House of Charlotte so close to Megan's hospital room, removed a huge weight from our shoulders. For 34 days, we were never more than a couple of minutes away from Megan."

- Edney Family
